PUBLIC EMPLOYEES DEFERRED COMPENSATION PLAN

My name is Shannon Wheeler and I am one of the Retirement Plan Advisors for the Louisiana Deferred Compensation Plan and the LASERS Self Directed Plan account.

Safety and health are of the utmost importance to all of us at Empower Retirement, and we understand the importance of being available to retirees during this challenging time. With the current concerns surrounding the Coronavirus, Empower Retirement is taking the responsible and necessary precaution of implementing virtual WebEx or telephone meetings instead of meeting in person.

I currently offer virtual meetings or phone calls for new employees. In the meeting, I go over the deferred compensation material and the LASERS Self Directed Plan account.

Our technology allows us to deliver the same features and services that an in-person meeting would allow, albeit in a safer and more private environment.
