

# CANCELLATION OF 2021 RSEA CONFERENCE

**Due to the issues of the aftermath of Hurricane Ida to a large number of our members and the continued spread of the variant of Covid 19, the RSEA Conference that was scheduled in October is cancelled.**

**Our thoughts and prayers are with those that are dealing with the aftermath and Covid. We plan to hold a conference in 2022, so stay tuned, stay sharp, be safe and healthy and get happy.**
