## State President's Message

State Employees Day was celebrated on May 3rd. I hope the word is getting out that State Employees are truly public servants and many have given the best years of their lives to serve others. We appreciate all our active and retired State Employees. You are the most "giving" people I know because you continue to do volunteer work to help others. Thanks for all you do.

We continue to build strong with our "On the Grow" membership campaign. The question is "WHO DO YOU KNOW"? I am asking our members to sit down and write down the names of all the state employees that you worked with. A script is being prepared that will help you call your friends and ask them to become a member of RSEA. It is as simple as calling 1-866-938-0961 and a staff member can sign you up over the phone! Also, call me or your Chapter President and we can help you in getting your friends signed up. There is strength in numbers and we are becoming stronger and stronger!

Mark your calendar for the State Conference on October 4-6 in Alexandria. The Conference flyer on page 5 gives you the information you need to register. This is going to be a special time when you will be treated like royalty. We will be honoring all our Chapter members of the year. The conference is an economical way to have a fun vacation and also attend informative sessions. You will learn how to be healthy, wealthy, and wise. The conference committee is working diligently to make this a fun time for everyone. We are going to "Celebrate good times – come on – it's a celebration".

See you at the Conference!!!

## RSEA Legislative & Governmental Affairs Director's Message

The 2017 Regular Legislative Session adjourned June 8th and was immediately followed by a Special Session. Given it was a fiscal session and that there were a limited number of retirement bills that were pre-filed, our primary concern was focused on proposed legislation that might attempt to raise revenue by taxing retirees' income. The retirement and other bills that were being monitored by RSEA included HB 33 (Pearson); SB 8 (Peacock); SB 6 (Smith); SB 11 (Peacock); and HB 55 (Carter).

Once the session started, we began to track additional legislative instruments of interest including: SCR 22 (Mizell); SR 123 (Milkovich); HB 685 (Hodges); HB 456 (Abramson), and HB 1 (Henry). RSEA testified at the Civil Service Commission and supported the new pay plan, insofar as it provided for the employee pay raise and established new/higher pay schedules.

Unfortunately, HB 1 did not pass during the regular session, along with some other money bills, giving rise to the need for the 2nd Special Session of 2017. The pay plan and raise(s) must still be approved by Governor Edwards, in order to be implemented. It is questionable as to whether or not he will approve the pay plan/raises without the corresponding legislative appropriations to fund this expenditure. The results of the **2017 2nd Special Session** are not known at the time of this writing. Regular Session results follow.

**Frank Jobert, Jr.**

BILL	POSITION	OUTCOME
HB33 - Pearson	Support	Passed

**Systems Impacted:** All State and Statewide Systems

SB 8 – Peacock	Support	Passed

Provides for the establishment of TRSL as a qualified defined benefit plan for the purpose of providing the administration and maintenance of both the Teachers' Retirement Plan (TRP) and the Louisiana School Employees' Retirement Plan (LSERP). Proposed law also provides for technical changes to present law to allow the re-comprised board of trustees to administer both TRP & LSERP. Provides for the transfer of all administrative functions from LSERS to TRSL within a two-year period after the effective date (7/1/17) of proposed law.

HB 685-Hodges	Opposed	Failed
---------------	---------	--------

**Legislation Impacts:** Louisiana Deferred Compensation Plan

Originated as HB 549 and dealt with the Louisiana Deferred Compensation Plan's board composition, a "voluntary cash contribution" account, investment options, and reporting requirements to the legislature. RSEA opposed this measure, except for the addition of the House and the Senate Retirement Committees' Chairmen to the Louisiana Deferred Comp Board of Trustees.

# OGB UPDATE

## OGB Cautions Members Against Scams

The Office of Group Benefits has received reports from members who have been called or had a door-to-door solicitation from individuals claiming to be affiliated with OGB. In many cases, these solicitors call themselves “OGB Benefit Advisors” and ask for money to be sent directly to them in order to enroll in a health plan. It’s important to remember that **OGB representatives will never come to your home and will never ask you to send money directly to the agency or a representative.** If you receive a suspicious call, visit or letter, please contact OGB to confirm that it is legitimate. You can contact OGB between 8 a.m. and 4:30 pm Monday through Friday by calling **1-800-272-8451**.

## Live Better Louisiana

The deadline to qualify for a \$120 premium credit on your 2018 health plan is approaching. To be eligible, you must complete a checkup and the Personal Health Assessment by **Aug. 31, 2017, and be enrolled\*** in an OGB Blue Cross health plan in 2018. If you completed the requirements for a previous year, you must do it again to receive the credit in 2018.

## The two step process is as follows:

1. Take your online Personal Health Assessment (PHA) at [www.bcbsla.com/ogb](http://www.bcbsla.com/ogb).
  - a. If you need help or don’t have Internet access, call 1-800-392-4089
  - b. Retirees should answer questions about your workplace with “Does not apply to my job” or “Neutral.”
2. Get a Preventative Checkup\*\* at a Catapult Health clinic held across Louisiana
  - a. Sign up at [www.timeconfirm.com/OGB](http://www.timeconfirm.com/OGB) or call 1-877-841-3058
  - b. Retirees may go to any clinic, but ones marked on the online scheduler as “retirees welcome” are specifically designed with retirees in mind.

*\*Dependents are not eligible for the premium credit.*

*\*\*You may also complete the preventative checkup at your primary care physician’s office by asking your doctor to fill out the Catapult Primary Care Provider form located under Resources>Forms>Live Better Louisiana at [info.groupbenefits.org](http://info.groupbenefits.org).*

# UPDATE FROM LASERS

## July 1 Benefit Payment Falls on Saturday

Retiree monthly “paper” benefit checks for LASERS members are mailed for delivery on the first of each month. For members using direct deposit of benefit checks, the funds are guaranteed to be in your bank or credit union on the **first business day** of the month. Since July 1 falls on a Saturday, receipt of your funds can be affected by your financial institution’s rules when the first falls on a weekend or holiday. In these cases, please contact your financial institution directly for information on when your funds will be made available to you. That decision is made by your financial institution, not LASERS.

## Hurricane Season is a Reality; *Are You Prepared?*

Are you receiving your benefit payment through direct deposit? If so, you are well on your way to being prepared for hurricane season. If not, take an important step by enrolling now. Direct deposit can give you peace of mind and help LASERS guarantee that your funds arrive on time. Direct Deposit Authorization forms are available for download on the LASERS website at [www.lasersonline.org](http://www.lasersonline.org) or LASERS can mail them to you. Sign up today and never worry again about receiving your paper check during storm season!

## Nominations Close July 11 in LASERS Board Election

Nominations will be accepted by LASERS in the 2017 Board of Trustees Election until July 11, 2017, 4:30 p.m. Central Time. Every two years, LASERS members cast their ballots for candidates for the thirteen-member Board of Trustees. In this election, three seats will be filled by active members and one by a retired member. Voting will occur in September and October and results certified and published by the Board in November.

If you are interested in running for the Board, you may obtain a nominating petition from the LASERS website, [www.lasersonline.org](http://www.lasersonline.org), or by calling LASERS at 1.800.256.3000 or 225.922.1131 in the Baton Rouge area. The election rules, schedule of

events, and additional information about the Board are available on the LASERS website.

A third party vendor experienced in handling balloting for public pension systems will conduct the LASERS 2017 Board of Trustees Election. LASERS members will receive election ballot packets by mail, and will be able to vote by mail, telephone, or the Internet. We encourage your participation in this important event.
